

Limited Lifetime Manufacturers Residential Warranty

Thank you for considering our outdoor cabinets. We are proud to offer a limited lifetime warranty on all our outdoor cabinets to ensure your satisfaction and confidence in our product.

Our warranty covers any defects in materials or workmanship under normal residential use for lifetime of the original purchaser. This warranty is not transferable and does not include any damage caused by normal wear and tear, weather conditions, or other environmental factors. Items not specifically listed in this warranty are not covered by this warranty. No other warranty, express or implied, is applicable to this product. Separate components not manufactured by AOK such as grills, refrigerators, counter tops, leveling legs, drawer slides, hinges and accessories may be covered by a separate manufacturer's warranty, but are not covered by this Limited Lifetime Manufacturers Residential Warranty.

In the unlikely event that your cabinet experiences any issues covered by this warranty, we will repair or replace the defective part at the discretion of AOK. This warranty does not include labor or shipping. Any parts replaced or repaired under this warranty are not guaranteed for color match. Defective cabinet parts are subject to a one time replacement. This warranty does not cover damage caused by misuse, abuse, negligence, or modification of any cabinet component by the dealer, installer or homeowner.

To make a warranty claim, please contact us with your proof of purchase, description of the issue and photos showing the defective part. Our team will work with you to resolve the issue as quickly and efficiently as possible.

Thank you for choosing our outdoor cabinet, and we hope it serves you well for years to come.

Please submit warranty claims to warranty@aok.email
